**Full-Stack Developer**

Alexander Pryadchenko

Summary

I am a Full-Stack developer looking for a full-time position in a company that's aimed at making both everyday life and business easier, more productive and user-friendly. I have sound knowledge of HTML, CSS, JavaScript, and React. Also, I have hands-on experience in following Agile /Scrum methodology when working in a team. I am a fast learner, responsible, and ready for challenging tasks.
